At the University of Lethbridge, everyone has the ability to shine, and we believe it’s our job to help make that happen.

We are one of Canada’s leading universities and research institutions. But more than that, we are a community of inspiring lights united by one common purpose — you. Your education. Your future. And your limitless ability to make an important difference in the world.

Each year, we proudly welcome more than 600 international students representing more than 80 countries to our campus. Our motto is Fiat Lux, “let there be light.” While Lethbridge is one of Canada’s sunniest cities, the phrase actually refers to the illumination that comes from research and learning.

At uLethbridge, you will learn to think about issues from all angles. You’ll work alongside the world’s brightest minds and most accomplished researchers to bring new light to society’s most perplexing questions. You’ll have extraordinary opportunities to take your learning beyond the classroom and discover the world. Your classes will be small, your professors will know your name, and you’ll receive the support you need to succeed.

It’s your time to Shine.

Sincerely,

Mike Mahon, PhD
President and Vice-Chancellor
University of Lethbridge

---

**FAST FACTS:**

8,700+ STUDENTS
600+ INTERNATIONAL STUDENTS FROM 80+ COUNTRIES
150+ UNDERGRADUATE PROGRAM OPTIONS
70+ GRADUATE PROGRAM OPTIONS
74% OF STUDENTS FROM OUTSIDE LETHBRIDGE
32: AVERAGE CLASS SIZE (AFTER FIRST YEAR)
14:1 STUDENT TO FACULTY RATIO
4TH RANKED UNDERGRADUATE UNIVERSITY (MACLEAN’S UNIVERSITY RANKINGS, 2018)
1 COMMON PURPOSE: YOU
LEARN HOW TO THINK, NOT WHAT TO THINK.

Our liberal education foundation encourages you to explore a variety of subjects, connect and integrate knowledge across disciplines and discover what you’re passionate about, all while developing the critical-thinking skills you’ll need to succeed.

CREATE, INQUIRE, DISCOVER.

Participating in research or creative achievement as an undergraduate will help you stand out from the crowd when you graduate. At uLethbridge, students at all levels play a key role in discovery, giving you the opportunity to work with some of the world’s leading researchers.

Meet Daniel Lima
BASc | Majors: Psychology & Anthropology
International alumnus from Brazil

After studying psychology in Brazil, Daniel wanted to pursue a more scientific side of the discipline. This is what brought him to uLethbridge. Taking full advantage of our liberal education foundation, he took classes in music, photography and anthropology, where he discovered his passion for the latter subject. Today, Daniel specializes in evolutionary anthropology, which combines anthropology with psychology. “The University is full of opportunities. So far I’ve done two terms of co-op, a number of independent studies, and I might be publishing something very soon. I’m excited about it. I’m starting my honours thesis next semester. All the opportunities are offered. I’m happy and taking everything I can.”

“I like studying people and interacting with people. I’m working at the International Centre with exchange students now; the University offers many opportunities to meet people on campus and in the community.”

CLEAR YOUR HEAD. FILL YOUR MIND.

Life is complicated, your education shouldn’t be. From our extraordinary campus and facilities, to student services, academic programs, small class sizes and more, students are central to all we do at uLethbridge. We are here to help you transition to university, Lethbridge and Canada.

LEARN BY LIVING.

Take advantage of experiential learning opportunities with co-operative education and internships, applied and independent studies, study abroad and exchanges, preceptorships, practicums; and volunteering.

Meet Shannae Delancy
BN After Degree
International alumna from Jamaica

Shannae was already living in Canada and discovered uLethbridge while helping a friend back home research Canadian nursing programs. The uLethbridge Bachelor of Nursing After Degree’s affordability prompted her to move here, and the accessibility to student services and campus facilities have proved invaluable to her.

“The biggest support has been the professors. They’re very approachable. I’m able to talk to them about my ideas, and they provide feedback and suggestions. They’re always really excited to help.”
#ULETH

SHINE: It's a glowing passion for work and for play.

It's the spark of creativity and discovery, and the burning desire to do. It's constantly raising the bar.

It's what we do, each and every day.
WE ARE HERE FOR YOU, ALL THE WAY THROUGH!

Our faculty, staff, administration, alumni, Board and Senate members are all here to provide you with the support you need to succeed.

The International Centre is a significant resource for current and future uLethbridge international students. We are committed to providing you excellent assistance with any challenges you might encounter as you adjust to life and studies in Canada. This assistance may include cultural and academic support, immigration assistance, and academic and welfare advocacy.

The International Centre also offers the English for Academic Purposes program and helps students who wish to study abroad.

The Accommodated Learning Centre provides in- and out-of-class support and assistive technologies for students with disabilities.

Academic Advising assists with course selection and program planning. You would see an advisor to register in courses not offered online or to change your program. Each Faculty has its own academic advisors, who have specialized knowledge of the programs.

Counselling and Career Services offers no-cost counselling for career development and personal growth. Our career development team empowers students and graduates in their career decision-making by providing one-on-one career advising, organizing career events and managing career resources. Individual counselling is confidential and can help you with a variety of personal issues including: adjusting to university life, anxiety, disordered eating, relationship issues and much more.

A Daycare Centre is available on campus.

Our Health Centre provides convenient access to quality health care and access to doctors on campus.

Student Mentors are uLethbridge students who provide guidance and support to new students as they transition to university life. Every new student is assigned a mentor who communicates via Mentor Mail and personal emails.

Whether you need help with a course or tips for efficient studying techniques, our Student Success Centre provides tutors and learning strategists to help you make the grade. The Centre also plans events that help you release stress in a fun way.

The Writing Centre provides practical writing support to supplement in-class instruction and helps you understand writing assignments. This is a free service available to all students in all disciplines at every stage of the writing process.

For a comprehensive list of our student support services, visit: uLethbridge.ca/future-student
WELCOME TO OUR CAMPUS

Where you learn shapes how you learn, and our campus and world class facilities will inspire you.
STUDENT ACCOMMODATION

Campus Housing
Welcome to your home away from home. Studies show that students who live on campus are more likely to have a successful academic experience. As a resident, you are steps away from classes, professors’ offices; student services; social, exercise and recreational spaces; study rooms and academic programming.

We have a variety of options such as dormitory-style rooms, apartments and townhouses. The costs for accommodations vary. First-year students are required to purchase a meal plan.

The Organization of Residence Students (ORS), the largest student club on campus, provides support and fun activities for residents.

Homestay
Living with a local family provides more than room and board. In addition to accessing to Canadian culture, you develop cultural awareness and have opportunities to practice English. This is the preferred housing option for students in our English for Academic Purposes program (see page 17).

Off-Campus Housing
Lethbridge features extensive off-campus housing close to campus. Since the majority of our students live in West Lethbridge, you’re bound to run into other students (or even your professors) at the local grocery store, restaurant or park.

Learn more about housing options at:
ulethbridge.ca/international/content/accommodation

WELCOME TO PRONGHORN COUNTRY

Strong, swift and enduring, the spirit of the pronghorn is legendary, and it’s a spirit that lives within us all. Whether you’re competing in sports or academics, uLethbridge students proudly wear our blue and gold.

Pronghorn Varsity Teams
Basketball | men’s and women’s teams
Hockey | men’s and women’s teams
Rugby | women’s team
Soccer | men’s and women’s teams
Swimming | combined team
Track & Field | combined team

The Herd
Show your Pronghorn pride. Join The Herd, a student-led spirit squad that supports our teams passionately throughout the year. Meet new people, get into Pronghorns games for free and cheer on our teams. Go Horns!

Stay fit and have fun!
Our competitive sport clubs include golf, lacrosse and dance, and our recreational activities include fencing, karate and curling. We also have many intramural activities to choose from, like floor hockey, dodgeball, volleyball, basketball, and Ultimate Frisbee.

Learn more about the Pronghorns at: gohorns.ca
Find out about sport and recreation on campus at: ulethbridge.ca/sportrec
We offer more than 150 programs.

Our liberal education lists are structured so the courses you take in your first year will apply to your degree.

### Bachelor of Arts
(BA / BSc, 40-course, or Second Degree)
- Agricultural Studies
- Anthropology
- Archaeology and Geography
- Art
- Canadian Studies
- Dramatic Arts
- Economics
- English
- French
- French/Spanish
- General Major in the Humanities
- General Major in the Social Sciences
- Geography
- History
- Kinesiology
- Music
- Native American Studies
- Philosophy
- Political Science
- Psychology
- Religious Studies
- Sociology
- Urban and Regional Studies
- Women and Gender Studies

### Bachelor of Education
(Second Degree or Combined Degrees programs only)
- Art Education
- Career and Technology Studies
- CTS: Business Focus
- CTS: New Media Focus
- Drama Education
- English Language Arts Education
- Mathematics Education
- Modern Languages Education
- French
- French / Spanish
- Music Education
- Native Education
- Physical Education
- Science Education
- Social Studies Education

### Bachelor of Fine Arts
(Second Degree or Combined Degrees programs only)
- Bachelor of Fine Arts - Art
- Bachelor of Fine Arts - Art History / Museum Studies
- Bachelor of Fine Arts - Art Studio
- Bachelor of Fine Arts - Art and Design
- Bachelor of Fine Arts - Art Studio
- Bachelor of Fine Arts - Communication Studies
- Bachelor of Fine Arts - Film Studies
- Bachelor of Fine Arts - Music
- Bachelor of Fine Arts - Theatre Studies

### Bachelor of Health Sciences
- Aboriginal Health
- Addictions Counselling
- Public Health

### Bachelor of Management
(40-course or Second Degree)
- Accounting
- Computer Science
- Economics
- Finance
- Indigenous Governance and Business Management
- General Management
- Human Resource Management and Labour Relations
- International Management
- Marketing
- Political Science

### Bachelor of Music
- Digital Audio Arts
- Music

### Bachelor of Nursing
- Nursing

### Bachelor of Science
(BASc, 40-course, or Second Degree)
- Agricultural Biotechnology
- Agricultural Studies
- Applied Statistics
- Archaeology and Geography
- Biochemistry
- Biological Sciences
- Chemistry
- Computer Science
- Computer Science and Geographical Information Science
- Environmental Science
- General Major in the Sciences
- Geography
- Geology
- Mathematics
- Neuroscience
- Physics
- Psychology
- Remote Sensing

### Combined Degrees Programs
- Bachelor of Arts / Bachelor of Education
- Bachelor of Arts / Bachelor of Management
- Bachelor of Arts / Bachelor of Science
- Bachelor of Fine Arts - Art / Bachelor of Education
- Bachelor of Fine Arts - Dramatic Arts / Bachelor of Education
- Bachelor of Fine Arts - New Media / Bachelor of Management
- Bachelor of Fine Arts - New Media / Bachelor of Education
- Bachelor of Health Sciences / Bachelor of Management
- Bachelor of Health Sciences / Bachelor of Education
- Bachelor of Music / Bachelor of Education
- Bachelor of Management / Bachelor of Education
- Bachelor of Science / Bachelor of Education
- Bachelor of Science / Bachelor of Management

### Pre-Professional Transfer Programs
- Engineering (University of Alberta)
- Engineering (University of Saskatchewan)
- Dentistry (University of Alberta)
- Journalism (University of Regina)
- Law (University of Alberta)
- Law (University of Calgary)
- Medicine (University of Alberta)
- Medicine (University of Calgary)
- Pre-Nursing Pathway
- Social Work (University of Calgary)
- Veterinary Medicine (University of Calgary)

1. Also available as a Bachelor of Science
2. Also available as a Bachelor of Arts
3. Also available as a Bachelor of Fine Arts
4. Also available as a Bachelor of Management
5. Also available as a Bachelor of Music
6. Also available as a Bachelor of Arts
7. Additional requirements or pre-requisites for entry into program

For more information, visit: ulethbridge.ca/ross/admissions/undergrad/international
INTERNATIONAL ADMISSION REQUIREMENTS

Applicants who complete the equivalent of Grade 12 of secondary (high school) studies with 65% overall or higher will be considered for admission. Programs may have Grade 12 course requirements.

Learn more about country-specific requirements: ulethbridge.ca/ross/admission-information/intl/intreq

Transfer applicants who present eight or more transferable courses with an overall GPA of at least 2.00 on the 4.00 scale will meet general admission requirements.

Transfer applicants presenting fewer than eight transferrable courses will also need to present an acceptable secondary credential.

Transfer applicants presenting three- and four-year university degrees from recognized universities may be considered for admission to a second bachelor degree program.

English Language Requirements

To ensure success in academic study, all applicants, regardless of citizenship or country of origin, must meet the English Language Proficiency (ELP) requirement. The following will fulfill the ELP for university entrance:

- At least 80 on the iBT TOEFL with minimum scores of 16 in each of Listening, Reading and Speaking, and 18 in Writing
- IELTS overall score of at least 6.0, with at least 6.0 in each band
- Completion of Advanced EAP program on the uLethbridge campus

Some programs have additional language requirements.

Undergraduate deadlines to apply

- May 15 for September term
- September 15 for January term

Learn more at: ulethbridge.ca/ross/admissions/elp

ENGLISH FOR ACADEMIC PURPOSES

The English for Academic Purposes (EAP) program is a Languages Canada approved intensive English program that not only helps students to meet the English Language Proficiency (ELP) requirement of the University of Lethbridge, but also provides students with the skills necessary to succeed in an academic environment in English.

The EAP program is comprised of four levels:

- Pre-intermediate
- Intermediate
- High Intermediate
- Advanced

Each level of study takes one semester (approximately four months) to complete; an in-house placement test or a recent IELTS or iBT TOEFL score will determine the level you will begin with. Our semesters for EAP begin each year in January, May, and September.

Each level of EAP consists of two courses: Writing/Reading and Communication. These two courses make a full-time program across 12-week semesters for Fall, Spring, and Summer. Each course is 10 hours/week. The EAP program is only offered on the Lethbridge campus.

The cost of the program is approximately $4,500 CAD per semester.*

uLethbridge also offers custom and summer EAP courses for those who wish to improve their English levels for shorter periods of time. We cater to groups of 15 to 30 students and can tailor a program to suit your wants and needs while in Canada.

EAP application deadlines

- August 1 for September term
- December 1 for January term
- April 1 for May term

For more information, contact: eli@uleth.ca

*All costs are in Canadian dollars and are subject to change without notice.
Whether you’re looking to further a professional career or want to advance research in your field, our degree options will help you meet your personal and academic goals.

GRADUATE ADMISSION INFORMATION

Step 1: Do your research
- Admission requirements
- Application deadline(s)
- Application process
- MA (except Economics), MSc and PhD applicants must find a supervisor
ulethbridge.ca/future-student/graduate-studies

Step 2: Prepare your supporting documents*
Transcripts, three references, Curriculum Vitae, Letter of Intent, English Language Proficiency
*Some programs may require additional documentation and language requirements

Step 3: Submit your application
Submit your complete application package and documents online before the deadline
ulethbridge.ca/future-student/graduate-studies/apply

Step 4: Arrange for your official documents
Official documents (e.g., transcripts, English Language Proficiency test scores) are required prior to registration.

Step 5: Wait for admission decision
We will notify you of your official admission status when we make an admission decision.

Funding & Awards
ulethbridge has a merit-based awards structure for graduate student financial support. Once you have applied for admission, you may be considered for funding and awards. For more information, please see:
ulethbridge.ca/future-student/graduate-studies/awards-and-scholarships

For additional information about application and admission to the School of Graduate Studies, please email sgsinquiries@uleth.ca

CALGARY CAMPUS

Evening and Weekend Classes
Located in downtown Calgary, Alberta, our Calgary campus offers programs geared toward working professionals who want to supplement their credentials and advance their careers.

Our Calgary campus professors are industry leaders who bring relevant, real-world experience to your class. Classes are small, so you can interact with your professors and classmates in a supportive, goal-oriented environment. Co-operative education, international exchanges and work-study programs give you hands-on experience.

Programs

Post- diploma Bachelor of Health Sciences
Major: Public Health

Graduate Certificate in Health Services Management

Bachelor of Management & Post-diploma Bachelor of Management
Majors:
- Accounting
- Finance
- General Management
- Human Resource Management and Labour Relations
- Marketing
- International Management*

*Students who wish to complete International Management on the Calgary Campus will require alternate arrangements to complete the requirements for this major.

Master of Science in Management
Majors:
- Accounting
- Finance
- Information Systems
- International Management
- Human Resource Management and Labour Relations
- Marketing
- Policy and Strategy

Other Programs:
- Professional Diploma in Accounting / CPA Bridging
- Management Certificate

When you talk about Lethbridge, three words quickly surface:

**Sunshine**
We are one of Canada’s sunniest cities, with an average of 320 days of sunshine per year. Bring sunblock and sunglasses.

**Coulees**
Think of a flowing landscape that flanks our river valley. Once you see the coulees, you never forget them.

**Wind**
Chinook winds warm our winters and bring a welcome breeze in the hot summer months.

With both a university and a college, we are a campus community where ideas grow. Lethbridge is culturally vibrant with flourishing arts and social scenes, stunning landscapes, four distinct seasons, spectacular sunrises and sunsets. To the west, you'll see vast prairies and the Rocky Mountains, which are only a short drive away.

Lethbridge offers plenty to do on and off campus, and thanks to our size, getting around is easy. Enjoy live music, performance and theatre; go for a meal, coffee or to a film; check out a museum or an art gallery; enjoy an outdoor festival in Galt Gardens. Our city has something for everyone.

UNDERGRADUATE SCHOLARSHIPS

Once you have applied for admission into an academic program, you may apply for scholarships through your online student account. Please note that scholarships are competitive.

International Entrance and Continuing Award

Value: $1,000 (minimum)

These awards are given based on incoming GPA (no less than 70%) for transferring or incoming students. For continuing students consideration is given to those who have completed a minimum of six courses the previous academic year with a GPA of no less than 3.0.

Leadership and Entrance Awards

Value: up to $6,000

Students coming to uLethbridge without attending another post-secondary institution may apply via a separate online award application by March 15.

Board of Governors’ Transfer Scholarship

Value: up to $1,500

Awarded to qualifying new transfer students based on academic achievement. Separate online awards application required by June 15 for September admission.

Post-Diploma Entrance Scholarship

Value: up to $1,500

Awarded to qualifying students admitted to a post-diploma program based on academic achievement. Separate online awards application required by June 15.

Board of Governors’ Admission Scholarship

Value: $1,000

Awarded to students with an admission average of 80% or higher. Completed Application for Admission required by December 15 to be considered.

Board of Governors’ Relocation Scholarship

Value: up to $500

Awarded to students with an actual admission average of 80% or higher based on geographic region. Completed Application for Admission required by December 15 to be considered.

For a full list of and more information about scholarships, please visit: ulethbridge.ca/future-student/awards-and-scholarships
**STEP BY STEP INSTRUCTIONS TO APPLY FOR UNDERGRADUATE ADMISSION**

1. **Pick a program and review the admission requirements.**
   Learn more at ulethbridge.ca/future-student or contact an International Recruitment Officer: international@uleth.ca

2. **Apply online**
   Visit ulethbridge.ca/future-student to submit your online application. It’s easy, and you’ll be one step closer to becoming a student. Remember to apply before May 15 for September intake, and before September 15 for January intake.

3. **Send us your grades**
   Documents cannot be uploaded to the online application. After you apply, email copies of your documents to admissions@uleth.ca. Have your official transcripts and proof of English proficiency documents sent directly to our Admissions office by the issuing institution:
   Registrar’s Office – Admissions
   University of Lethbridge
   4401 University Drive. W.
   Lethbridge, AB, Canada
   T1K 3M4
   Fax: 403-329-5159

4. **Apply for residence**
   Our first-year residences are in high demand, so if you’re interested, submit your application as soon as possible. Apply online at: ulethbridge.ca/housing

5. **Qualify for admission**
   If you qualify for admission, you will receive a letter of acceptance. Congratulations! If you do not meet the English Proficiency Requirement but you qualify academically, you will be offered conditional admission and can then register for our English for Academic Purposes program.

6. **Begin the study permit process**
   Collect the documentation you will require to apply for your Canadian study permit. For instructions, visit: cic.gc.ca/english/study

7. **Meet the International Student Advisor**
   You will be contacted by our International Student Advisor with important information to prepare you for your departure and arrival in Canada!
